

UMAVANSHI ENGINEERING PVT. LTD.

Our Story

Umavanshi was started with very small work. Umavanshi was started in the year 2018 (August). At that time, after much thought and brainstorming, the name Umavanshi Engineering was finalized. At the beginning, Umavanshi was the proprietor.

After that, on January 27, 2022, it was converted to a partnership firm; currently, on March 30, 2023, the company is converted to a private limited.

The meaning of Umavanshi is: Uma means Kuldevi of Patidar. And Umavanshi means Umiya's Kuldeepak. In this way, the name Umavanshi was decided. It certifies that it is the company of Patidar's son.

01

Founder Message

We ensure that our services are result - oriented and that we complete our projects on time and thereby help our clients in their growth. Our aim is to provide reliable services to clients that tend to reduce both energy and monetary losses.

- **M.B Patel**

Our Vision

When it was started Umavanshi was only a thought. This thought was converted into progressive path. In the starting this company was source of side income for boys with their jobs. But with the passing time, Company has reached to partnership from proprietary and private limited. The aim of our company is to provide quality work to our clients and grow our name in this industry.

Our Mission

Our vision is to become no.1 in electric field and to work in every leading company. We want to earn name and fame like by only after hearing name without any comparisons we would get that work.

ENGINEERING SOLUTIONS

FOR CHANGING WORLD

TAKING

ELECTRICAL SOLUTIONS

TO THE NEXT LEVEL

Services

**House wiring
Commercial wiring**

CCTV camera

**11 & 33 KV TR
commissioning,
cable laying and testing**

**66/132/220/400/KV
substation work**

WE

LIGHT UP

YOUR FUTURE

Services

Lt Cable laying, fault finding and termination work

66/132/220 KV EHV line work and work of cable laying on tower

Equipment and scheme testing of switchyard and distribution network

Street light work

TAKING

CARE OF YOUR

ELECTRICITY NEEDS

Services

**Specialist in consultant expert
in LV, HV & EHV switchgear
& substation services.**

**Erection of EHV line and
sub station**

**Any kind of fiber optic
cable laying, repairing and
installation will be done**

HDD work

10

66 KV WANKANER

66 kv under ground cable Laying, jointing, testing and fabrication on tower with equipment and material for 66 kv wankaner – zadeshwar line – Wankaner.

Projects

**66 kv
Wankaner**

**66 kv
Switchyard
chhatral**

12

66 KV JUVAL RUPAVATI

66 kv under ground cable Laying, jointing, testing and fabrication on tower and C type H fram with equipment and material for 66 kv juval - Rupavati line - Dholka.

Projects

66 kv
Juval Rupavati

66 kv
Modaj

14

66 KV SIMAJ-SHALEJDA

66 kv under ground cable Laying, jointing, testing and fabrication on tower and sub station LA structure with equipment and material for 66 kv Simaj – Shalejda line – Dholka.

Projects

66 KV
Simaj - Shalejda

33 KV
Cable Laying

16

66 KV THAVAR - MALHOTRA

66 kv under ground cable Laying, jointing, testing and fabrication on tower with equipment and material for 66 kv Thavar – Malhotra and Nana Meda line – Thavar 220Kv SS.

Projects

**66 kv Thavar –
Malhotra ug line**

Hdd Work

18

132 KV TORRENT POWER GANDHINAGAR LINE

132 kv under ground cable Laying and testing and FO cable laying in 50 mm hdpe pipe for gandhinagar - mahatma mandir line - Gandhinagar.

Projects

**132 kv
Chandkheda**

**132 KV
Torrent Power
Gandhinagar line**

20

66 KV MATAR

66 kv under ground cable Laying with 110 mtr big length HDD boring crossing at NH - 01, jointing, testing and fabrication on tower and sub station LA structure with equipment and material for 66 kv Matar - Virgo line - Matar.

Projects

66 KV
Matar

22

66 KV TAP VASNIREL-BAYAD AND BAYAD-DHANSURA

Cable laying in open trench double circuit (6 + 2 cable) and erection of 04 nos C type H frame..66 kv under ground cable Laying in open rcc cable trench, jointing, testing and Erection of 04 nos C type H frame and fabrication on C Type H fram With Equipment and material for 66 Kv Tap vasnirel-Bayad line and Bayad-Dhansura line.

Projects

**66 kv Tap Vasnirel-Bayad
and Bayad-Dhansura**
